About Us

Who We Are

We are the world's largest and most established provider of training courses globally, with over 25 years experience of providing quality-infused learning solutions - with the capability to deliver over 30,000 courses, in 1200 locations, across 200 countries. As market leaders, we have successfully trained over 1 million delegates - demonstrating our internationally-renowned trust and unrivaled premium quality, to all of our aspiring learners.

We are respected by multinational organisations and are the leading choice for innovative training solutions, delivering exceptional value. The Knowledge Academy's courses are accredited by renowned exam institutions, including Axelos, BCS, Microsoft, The Open Group, and APMG - guaranteeing that our delegates enhance their knowledge to succeed in their profession. Whilst inspiring our clients to learn valuable business skills, we invest in each individual delegate that attends our courses - helping to develop long-lasting relationships with clients and preparing them to be responsive contributors to the ever-demanding digital age.

Our Mission

It's simple: provide the best training at the lowest price.

Our training expertise means we understand the needs of learners and exactly what they require to pass their exams and grow their careers. We handpick talented trainers who know how to make the learning experience enjoyable and memorable. Our accelerated learning techniques mean you'll be back at work in no time, ready to apply what you've learned to your job.

We deliver over

1,000 subjects

30,000 courses

We've trained over

100,000 clients

1,000,000 delegates

We deliver over

200 countries & principalities

1,200 locations

Our clients and delegates

Whether for organisations or individuals, our training helps professionals reach their potential, equipping with the skills needed to boost their career and the certifications needed to stand out from their peers. We've provided solutions to government agencies, multinational organisations, individual learners and the public sector.

Some of our clients

Our Trainers

We choose subject matter experts with plentiful industry knowledge, who know how to make their topics engaging to create a memorable and valuable learning experience.

A testament to the quality of our teaching and course material is reflected by the plethora of professional bodies that accredit a huge range of our courses - including Axelos, APMG, The Open Group, PMI, APM, Microsoft, ISACA, and many more.

Our Locations

Our trusted and certified courses set us apart from our competition - we, at The Knowledge Academy, pride ourselves on our extensive global coverage, with the capability to deliver over 30,000 courses, in 1,200 locations, across 200 countries.

Why train with us?

The fastest way to become professionally qualified

Learn real world practices and how they can be applied to live projects

Taught by experts in professionally equipped venues

Available in locations all over the world

Pre- and post-course support

All course material can be taken home

the knowledgeacademy

Our best price guarantee means you won't find better value in the marketplace. If you do find a lower price, let us know, and we promise to beat it.

Corporate Training Solutions

Onsite Training

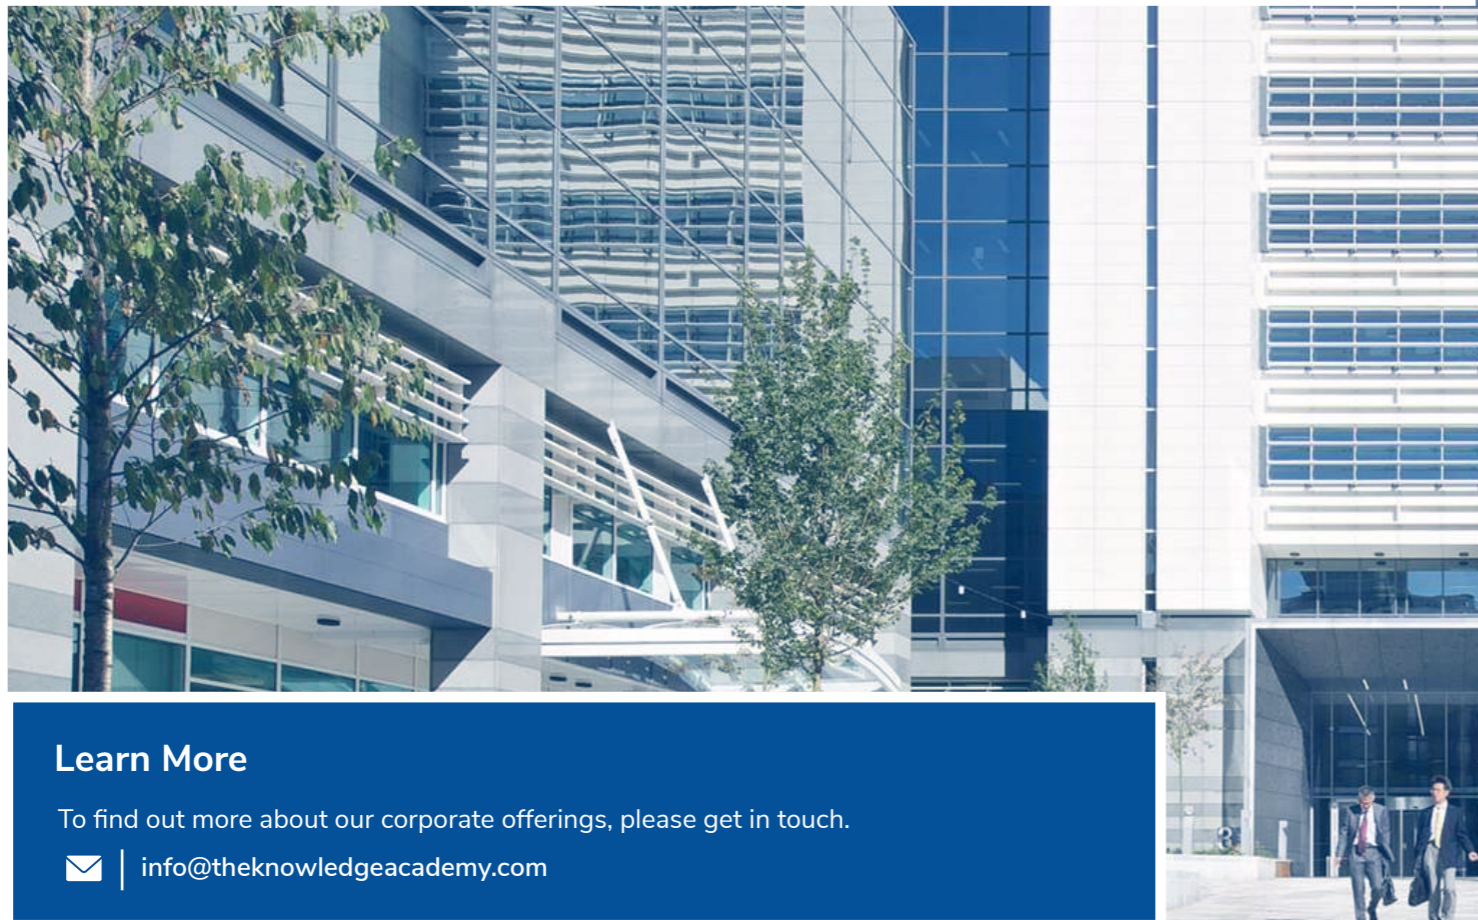

Our onsite training is perfect for larger groups who would prefer to receive instruction at their workplace. We can deliver a customised program suited to the training needs of your company and employees.

Why choose Onsite?

- 🎓 Save money on travel away from the workplace
- 🎓 We'll organise everything for your convenience
- 🎓 Customise our program and schedule to your needs
- 🎓 Minimise disruption to your regular business schedule

Consultancy

Our strategic consultancy services provide expert advice and training for companies and organisations to upskill their employees and encourage change through learning in the workplace. We can help you identify training needs and create bespoke programmes for training, to be delivered by either our training specialists or staff from your own department.
